Attendance Summary

The attendance summary report will show your child's overall school attendance as well as their class attendance. A count of class rolls affected for each type of absence will be included.

[View Report](#)

Class Attendance Percentage

The Class Attendance Percentage Report will list the number of classes and attendance percentage for each class your child has been enrolled in for the selected semester.

[View Report](#)

Period History

The Period History Report will show a short summary of your child's attendance on a period-by-period basis for each date of the semester. A key is provided to interpret the summary on the top of the report.
